4th Place: IDR. 1.000.000 + Medal + Certificate

5th Place: IDR. 750.000 + Medal + Certificate

Tax of 6% is not included

15. Wind speed and Limitation

The maximum permitted wind speed at each target area, for the purposes of competition is 6 m/s.

The Competition will use a wind recording and scoring system at the target, with visual and acoustic warnings of exceeding limits.

16. Scoring

According to Section 7C

1. Individual score

According to Section 7C. Para 5.4.3.

Pilots who do not continue in the competition (after applying the Knock Out rule) will be marked DNQ (did not qualify) in these rounds.

2. Team score

According to Section 7C. Para 5.4.4.

The team score for each round will be calculated as the aggregate score of the best three pilots in the team. If any team has fewer than three competitors, then for each round a maximum score will be awarded to the team for each of the scores for which there is no competitor.

The team competition will end after the 6th round.

3. Result publishing

As soon as it is practical at the end of the round, the recorder will post the scores on the main notice board. These will be marked Provisional, with the posting time and date clearly visible. Any complaint against the Provisional scores must be lodged within 2 hours of the scores being posted.

If provisional scores are posted more than 2 hours after sunset and before 6.00 am next day, then the deadline for a complaint is 8.30 AM the next day.

17. Landing

Competitors will be scored according to the distance in centimeters between their first point of ground contact and the edge of the dead centre (2 cm) disc to a maximum score of 200 cm.

The measuring field will have clearly marked circles set at 1 m, and 2 m.

Otherwise according to Section S7C.

18. Video Evidence

Organiser will provide video recording on the landing. In the case where amateur video evidence is available when an official complaint is made, the Chief Judge reserves the right to choose whether and when to view that video evidence. The decision will be made on a case-by-case basis. Further information on the policy on video evidence will be provided at the first pilot briefing.

A lack of video evidence is not a valid reason to award a re-launch.

19. Training , Practice and free flight

After the official start of Championships, competitors are prohibited from conducting training, practice, test and free flights using the landing site, except with the express permission from the Meet Director.

Flying from other local sites is allowed, however, these activities must not be associated with the Championship or the Organization in any way.

Official pref liers will take-off as directed by the Meet Director or Safety Director.

20. Penalties

In accordance with Section 7C

21. Task Information

A information board at the landing field will show:

- the results,
- information related to competition and/or social events.

22. Complaints and Protests

Objections, complaints and protests will be dealt with according to the procedures in Section 7C and the Sporting Code General Section.

Complaints should be made with the minimum delay and will be dealt with expeditiously.

If the complainant is not satisfied with the outcome, the team leader can make a protest in writing to the Meet Director or his deputy. The time limit for protests is 2 hours (1 hour after last round) after notification of the result of the complaint. The protest fee is 1.000.000 IDR It will be returned if the protest is upheld.

The Official Protest forms and printed copies of S7C will be available at the Recorder table, with the Launch Marshal and Chief Judge.

23. Emergency Procedures

A first aid team will be present at the landing during competition days.

The closest hospital is located in Kalibaru. It takes approximately 15 minutes for an ambulance to reach the landing site. The hospital can treat serious injuries. An ambulance to Banyuwangi city, in case of very complicated injuries, takes about 1 hour. There is no helicopter on standby for this event.!
